

Minot Area Chamber of Commerce

Eagle Award for Excellent Customer Service

Nomination Form

There's an old saying in management.... "don't send your ducks to eagle school." There are a lot of ducks in the world, and very few eagles...Eagles can handle a variety of tasks and/or problems, and go out of their way to be helpful. Eagles make customers feel special, and keep them coming back. No problem is too great - they love the challenge!

The Chamber of Commerce feels the eagles of the world should be applauded!
